TO THE QUAREES. -Brocklyns Lose to Washington-Bos-tons Beat the Baltimores - Clacimentis Whitewash the Pittsburghs Twice

The New Yorks were not only besten by the Philadelphias yesterday but also dropped out of seventh place. Either of these teams may over-haul the Pittsburghs, who were doubly whitewashed by the Cincinnatis. The Brooklyns lost their third straight game to the Washingtons, who are now but eight points behind Byrne's boys. The Bostons won a slugging match at Baltimore, and the Clevelands outplayed the Chicagos. The results:

The New Yorks were beaten by the Philadelphias at the Polo grounds yesterday for the excellent reason that they couldn't hit the very clever pitching of Wilfred Carsey. Barring Van Haltren and Tiernan, the local batsmen were helpless before the little fellow's crossfire curves. The Quakers, on the other hand, found Meekin an easier problem, and earned all of their six runs. The game abounded in pretty plays, Thompson, Delshanty, Joyce, and Davis excelling. La Joie, the visitors' big first baseman, made a fine impression with his bat. Hornung umpired in first-class style.

The Philadelphias were sent to the bat and began operations with two earned runs. Both Cooley and Hulen bunted safely and moved along on Delahanty's sacrifice. Cooley scored on Thompson's fly to Stafford and Hulen ran in on La Jole's pretty single to right centre. Then Hallman sent a liner to Davis for the third out. In New York's haif Thompson made a fine catch of Yau Haltreu's fly close to the foul line and Tiernan hammered a two-bager to right, taking third on Gleason's out. Cross to La Jole Joyce was nit by a pitched bail, and was caught napping off first on Caseey's lightning throw.

The retirement of the visitors in the second was quick work. Grady sending a fly to Yan Haltren, and Davis throwing out both Cross and Carsey, Joyce's men, too, were easy, Davis being thrown out in next style by Carsey, and Beckley and Stafford flying to Delehanty and Cooley respectively. on La Jole's pretty single to right centre. Then

Beckley and Statford flying to Delenanty and Cooley respectively. It is a low liner that Stafford caught superbiy. Huten bunted safely, but Delehanty's hot one to Davis resulted in a beautiful double play. With two out in New York's half, Van Haitren singled and continued running to third, as Delehanty failed to stop the ball. But the Californian couldn't score, as Hallman made a clever catch of Tiernan's fly to whort right.

Hallman made a clever catch of Tiernan's fly to short right.

In the fourth, Gleason threw Thompson out, Joyce caught a tremendous liner from La Jole, and Davis settled Hallman at first. The New Yorks broke the ice in the last half with a run that was a gift. Gleason took a base on balls, and advanced a bag on Joyce's out. Hulen fumbled Davis's tap, and Reckley filled the bases by boing hit in the shoulder. Stafford forced Jake, Gleason running home, and Jim stole second; but Wilson was third out on a hot grounder to Hulen.

In the fifth the Quakers were shut out again, although Carsey got a life on Davis's low throw.

In the lifth the Quakers were shut out again, although Carsey got a life on Davis's low throw. After Meekin had retired in New Yorks half, Van Haltren bunted, and hustled to third on Tiernan's corking base hit to right. Gleason hit to Carsey, who caught Van Haltren off third, and after the latter had been nailed, Grady threw Tiernan out, too, as he was trying to reach third.

third, an after the latter has been nailed firstly threw liernan out, too, as he was trying to reach third.

Philadelphia got another run in the sixth. After Joyce had fixed Hulen, Delehanty lifted the leather over the right field rouse for four bags. Thompson got a life on Davis's fumble, but was left, as Van Haltren pulled down La Jole's terrific drive, and Meekin fielded Hallman's roller. Joyce began New York's half with a drive that Cooley misjudged, and the Capitain landed on third. Thompson caught Davis's hard tiner and kept Joyce on third with a throw to the plate. Scrappy, however, came in a summer late. Scrappy, however, came in a thome of the Chakers fow, but they couldn't increase their total in the seventh, although Carsey got four balls and those were blanked, too, in spite of a fine Chango to the the score. Delehanty made a grand capture of Wilson's fly, and Meekin walked to first on balls. Van Haltren singlet to right, and "Meek" reached third on a close decision. Tiernan fouled to Cross, and Hulen three Gleason out, two men being left.

In the slith, with one out, Thompson sincled and La Joic drove a clean double to left. Haliber of the chartes and the second and fourth, and with a hit, and both he and Hallman Joid along on a passed ball, only to be left on Cross's fly to Van Haltren, New York's half was again fruitless. Joyce struck out, Davis singled, Dehanty was waiting for Beckley's long liner and staffort forced Davis.

The Quakers clinched their victory in the ninh with two more runs. After Carsey had struck out, Cooley, Hinden, and Delehanty all drove base hits into right field, the former scoring on Del's drive, and Hulen running in on Thompsons drive to want the score of the latter of the score of the latter of the score of the latter of the latter of the latter of the score of the latter of th

GOOD THINGS GO WRONG. GEORGE ROSE AND CAPTIVE BEAT-EN AT GRAVESEND.

Sienn Eldes an Admirable Race on Belma -Net Fast Runs a Surprisingly Good Race-Ross O., Damien, and Magtan Win for the Talent-McKee is Quite a Fencer.

It was another good day's racing which the patrons of the Brooklyn Jockey Club enjoyed at Gravesend yesterday, some of the races being most bitterly contested throughout. Three thousand persons found picking the winners anything but an easy task, George Rose and Captive, two heavily played favorites, falling by the wayside. The weather was once more perfection and the track was fast. The chief event of the day was the handteap

at one mile and a furlong, for which there were nine starters. Captive was always the favorite at a comparatively short price, but Pittsburgh Phil and his friends had a world of confidence in the gray four-year-old Belmar, and they sent him to the post a warm second choice. It was 4 to I against that gay deceiver Keenan and the consistent performer Deerslayer, with long prices on offer against any of the others. Hanwell paralyzed the talent by going to the front at the fall of the flag and setting a pace which made the others hustle to keep near him. Belmar, Deerslayer, and Long Beach were Hanwell's nearest attendants until the stretch was reached. Sloan then gradually improved his position with the gray colt, and, riding an excellent race, beat Hanwell a head with Belmar. Captive, in the very last stride, landed third money, beating Deerslayer a nose. Belmar looked well, and Sloan had something up his sleeve at the finish. Keenan ran his usual race.

Ross O. was the favorite for the opening dash for maiden two-year-olds, and getting away in ront with Billali the result was never in doubt. Confession, the most likely opponent Ross O. had, was badly knocked about and interfered with, but finally landed in third position, a head before L. B. Ross O. won away off, and showed that he has speed of quite a high order. If he had courage he would be hard to beat in his class.

The surprisingly good price of 7 to 5 could be had against that most consistent performer Damien to best Ben Eder, Septour, and Volley in the selling race at a mile and a sixteenth. Volley and Septour were sore and proppy in their preliminary, and Ben Eder moved none too well, so that Damien looked like a real good thing. When the flag fell Martin took the favorite out and was never reached, although he permitted Ben Eder to run a close second to the upper turn. When Martin called on Damien the good-looking brother to Suisun drew away and won in a gallop. Ben Eder, after a brief struggie, gave up second place to Septour. Volley, well up the first part of the race, was a bad last at the flinish. There are few three-year-olds in training capable of taking Damien's measure. George Rose and Swamp Angel were equal favorites for the habdicap for two-year-olds, but the weight of money was on the former, and he went to the post a decided favorite. There were but five starters, the Boston-owned Set Fast, a winner on Tuesday, the Keene celt Regulator, and the Dwyer representative Fassover completing the field. Set Fast sprang away in the lead, with the others in full cry, Set Fast ran the first half mile in 40% seconds, and, tip-toeing the others, won in a romp in the very fast time of 1:09. Swamp Angel beat George Rose for second money, and Martin lost third place to Passover through pulling the favorite up too quickly. Young Coyle deserves praise for being vigilant with the outsider. The winner is a very fast filly by imported Massetto, out of Bandaia, a good performer in her day. She was well played by the colored contingent both yesterday and on Tuesday. She is trained by Albert Cooper and owned by Chauncey Jacobs of Boston.

Magian was the favorite at odds on for the selling race at six furlongs. Arapahoe and Woodvine got much the best of the start, and Magian had to be a good horse to win. Arapahoe gave it up on the turn and Dolando gave chase to Woodvine. It looked as though this pair would have the race to theinselves, when Clayton came tearing down the centre of the course with the favorite. Polando and Woodvine were tiring fast, and Magian got up in time to win by a neck. Woodvine beat Dolando a head for second money. In one of the breaks Florena Hubbard fell, but did not hurt her rider, the diminutive Fowers.

St. Jacobs, McKee, and Zaldivar carried the money in the hurdle race. The former was the post favorite, and for a mile and a quarter his lead was undisputed. Dunlapthen shot up with the comparative novice Ward in the saddle, was secon and won in a gallop. Ben Eder, after a brief struggie, gave up second place to Septour. Vol-

Wilkersharder. Sept. 18.—The L. A. W. circuit meet was held in this city to-day under the auspices of the West End Wheelmen, and an excellent programme was given before 5,500 people. The half-mile open professional races was one of the best-contested events of the afternoon. Otto Zeigler won the first prize (\$100), with Walter Sanger second and Arthur Gardiner third. Time, 1903 1-5. The one-mile open professional race was also contested. It was won after a hot contest by E. C. Baid, Fred Loucead second. Thomas Butler third, and L. A. Callahan fourth. Time, 2:07.

The two-mile professional handlcap was won by W. H. Williamson, who received a handlcap of 125 yards over Sanger and Gardiner, who were the scratch men. Second place was secured by Quinton W. Davis of Buffalo, N. Y. who also received a handlcap of 125 yards; H. C. Clark of Denver, Col., 100 yards, toird, and James Bowler of Chicago, 180 yards, fourth. Time, 4:36. After the contests Otto Ziegler rode a half mile, being paced by a tandem, and lowered the State half-mile record from 0:35 1-5 seconds to 55 seconds flat.

At Manhatian Beach yesterday all of the fast men in the metropolitan district were in active training, and the stars of the professional, ranks who have been on the track for the past two or three days were again on the cement surface, and, as the weather was almost perfect, some fast training time was made. Charjey Murphy, whose severe accident a couple of days are looked serious, was out yesterday, and he thinks that he will still be able to ride his five-mile exhibition against time to-morrow

Michael is accustomed to the track now, and speaks well of it. The American hour record of 10 5-0 mileslevill be knocked into smithereens in this race, and if 31 miles 5 yards—the world's record—is not-sequalled, it will be a surprise. To-day Tom Cooper, Tom Butler, Eddle Bald, Otto Zeigler, Arthur Gardiner, Owen Kimble, and the most famous of the circuit riders will report at the track direct from Wilkesbarre, where they rode yesterday. They will train all of to-day, and to-merrow will be the first day of what new promises to be the greatest race meet of the year.

Nonwalk, Sept. 16.—The first annual fifteen-mile road race of the Twin City Wheelmen was decided yesterday afternoon in the presence of 4,000 spectators, every one of whom was drenched to the skin by the rain. FOOTBALL.

century run to Patchogue on Sept. \$7.

Graves, the Old Yale Back, in Command of the West Point Boys, WEST POINT, Sept. 1d.—Great interest is being taken in football at present at the United States Military Academy, and Judging from the large

number of candidates seen on the field and the general good playing shown it should be an easy thing to pick out a strong team. For the past two weeks hard practice has been indulged in on Wednesday and Saturday afternoons under the supervision of Harmon S. Graves, an old Yale back, assisted by Lieuts. King, Nolar ated in June. It is expected that Corbin, the noted Yale centre, will be at the "Point" early

in October to coach the centre men. The fact is. West Point is greatly handicapped in regard to the length of time for football practice. Academic duties last till 4 o'clock, followed almost immediately by drill and parade on all days except Wednesdays and Saturdays, so there can be only very little work done in the afternoons. Capt. Connor gets his men out every morning immediately after reveille, or at about 6 o'clock, for a mile run to develop their

about 6 o'clock, for a mile run to develop their wind, and for fifteen minutes after the return of the battalion from dinner light practice is indulged in.

On Saturday last two teams were picked from the candidates and lined up against each other for a twenty-minute half of sharp playing, in which the men all showed up to good advantage. Among the candidates for hallows on the regular team, Capt. Connor will be found at his old position at left half back. For the position of right half back there are a number of men, including Nesbitt, '98; Brown, L., '98; Workizer, '97; Way, '99; Chenney, '97; Mumon, '98; Fortiguson, '97; Bishop, '97; Hyde, 1900, and Gillmore, W. E., 1900. In all probability Nesbitt will be the final choice, as he is purxing up the best game, though Brown and Workizer are not far behind him. For full back, itemeyn, '99, is looked upon as the most probable successor to Eddie King, whose only rival to first honors as a full back last season, in the cylnion of West Pointers, was Brooke of Pennsylvania. However, Waldron, '99, and Craig, '98, are showing up in excellent form and will make Romeya hustle for the placs.

At quarter back Humphrey, E. H., '90, is showing up well, and will probably be the selection, though Oakes, '97; Hanna, '97; Roberts, T. A., '97, Martin, E. H., '98, '59, '99, Helintzleman, '90; Kromer, '90, and Westervelt, 1900, are trying hard for the position, particularly Oakes, Jewell, and Hillman, '99, and Westervelt, 1900, are trying hard for the position, particularly Oakes, Jewell, and Heintzleman. On the line it looks as though Hall, 11900, will supplant McCornack, '97, at centre. He is 22 years old and weight 295 pounds, is very quick, and passes the ball back well. The guards will probably be williams, '98, and Humphrey, C. B., '98, Both are showing up strong, Other candidates for the position are Abernethy, '97; Frisseil, '97, and Scott, '98, are both doing excellent work. Baird and Hopkins, 1900, are showing a great game, and will be unable to play this year. However, S
